MY DIRECTED ENERGY AND NEUROLOGICAL WEAPONS TORTURE, DEGRADATION AND MUTILATION CASE SUMMARY:-

I Wayne Morin Jr came to the attention of an extremist US security organization for this exercising of my democratic right to free speech and since then I've had my human rights, liberty and privacy **COMPLETELY VIOLATED** and **ALL** aspects and degrees of my human freedom, individuality and mental and physical integrity and health savagely attacked, tortured and deformed.

THESE CRIMINALS HAVE THE ABILITY TO :-

- a. place a human subject under **ceaseless** surveillance, no matter where he/she is, from remote locations
- b. **ceaselessly** monitor a human brain from remote locations, including thought, reaction, motor command, auditory event and visual image reading (**RNM – Remote Neural Monitoring**)
- c. **ceaselessly** input directly into a human brain from remote locations, including the ability to introduce voices, noises, other disturbances, images and 'virtual-reality scenarios' into the brain, and the ability to override, control, and alter consciousness (**EBL – Electronic Brain Link**)
- d. directly interfere with, abuse, torture and hit bodies - including performing advanced medical procedures - and objects - from remote locations

e. directly interfere with, alter, insert etc. data, files, communications and legal evidence from remote locations - even during transmission

f. make live TV, and other screens and monitors, two-way - for surveillance, invasion of privacy etc.

g. control the flow of information and orchestrate the media worldwide

BY THESE MEANS I HAVE BEEN :-

1. **Since 1957 I've been under ceaseless Orwellian surveillance - 24 hours a day 7 days a week - everywhere I go.** In 1973 I was told by one Michael Staton who worked at Napa State Hospital that the group he works for called GO were monitoring my every move and knew where I was at all the time. This is while at NSH Unit M-6 my age was then 13 yrs. Also ask about (The Mighty Quinn) (aka) Quinn The Eskimo Davey. Since 2003 my brain, body and physical space and privacy have been ceaselessly monitored, including thought, reaction, motor command, auditory event and visual image reading. I have been under this extremely traumatizing Orwellian surveillance and interference - and then extremely brutally - hard-core - tortured and deformed. In 1989 while in Napa Court custody I spoke of these crimes of Orwellian surveillance against me wrote the Judge with my thoughts some were very abstract in nature but close enough to verify as **NEUROLOGICAL WEAPONS TORTURE** this ties into my instant offence my court hearing before being sent to Napa State Hospital in 1989 - and during all this time my psychological, mental, intellectual and physical states, actions, thoughts, imaginations and words have been exploited and exhibited. (1989-present)

2. subjected to sleep deprivation, sensory overload, and "mind-*uck" torture - (1957-2010)

3. **ceaselessly** perpetrators' who are known to me as He/She voice Prince Power of the Airwaves and other voices are forced directly into my brain and they very aggressively and relentlessly psychologically attack, denigrate, interrogate, undermine, mob and bait me. These voice attacks are forced directly into my butchered and mangled brain. This takes the form of a running attack with a personally codified system of comments and responses to my thoughts, activities, social and psychological state, and biorhythms - both straightforwardly and with many different disorienting, infuriating and distorting effects. This sensory and mental torture and attack directly into my brain has varied from extreme causing near-complete mental breakdown and desperation, to loud, intensive and continuous, to milder, and has included numerous mock-executions. It is all completely and totally unignorable and inescapable. The 'circuits' are always open - my brain, body and physical space are ceaselessly brutally violated, monitored and interfered with - and forced into reaction and response - 24 hours a day 7 days a week. It's a brutal, technological, inescapable 'Iago-(GO)-bullshit-hell-machine'. **I literally haven't had a single minutes mental rest, relaxation or privacy since 1957 - not a single minute** (2003/2010-present)

4. **ceaselessly** subjected to multiple nightly neurological experiments and interventions. Whilst 'sleeping' artificial 'virtual-reality scenarios' () are forced into my brain and therein processed/experienced. Night after night after night - 3,4,5,6,7 or more times per night. I have been on this sleep and brain control regime and I haven't had a natural, uncontrolled nights sleep since 1957. Often my brain processing/experiencing these "virtual-reality scenarios" is transmitted and exhibited by these Mengeles butchers pretending to do "science". Their ability to do this required extensive and very brutal neutralization and engineering of my normal, healthy brain - in order to effect a kind of 'tabula-rasa' to use as a 'player' - for them to be able to force in their 'codes' and 'play' their 'virtual-reality scenarios'. This has resulted in mentally and psycho-physiologically exhausting, degrading and deforming me. (1957-present)

5. **relentlessly** subjected to 'deep' and other neurological attacks on my brain creating a lasting lobotomized effect - some similar to being sledge-hammered, stabbed, slow roasting, roasted, fan-forced microwaved, blow-torched etc. in the brain. My senses, sensibility and imagination have been totally degraded and wrecked. Repeatedly subjected to multiple other experiments and interventions on other areas of my brain. (1957-present)

6. **repeatedly and relentlessly** - subjected to abuse and torture on the genitals, crotch and reproductive system. (INQBUS) currents are applied to my genitals, crotch and reproductive system at different intensities and positions, often continuously for extended periods of time. This ranges from mildly disturbing to torturous. The cumulative affect is sickening and constant mental and physical tension and aggravation. This abuse and torture on the genitals, crotch and reproductive system is applied at any time of the day or night. I am often woken up by the application of electric

currents to my genitals, crotch and reproductive system - night after night after night. Other times I am given erections, masturbated by a machine, and occasionally voided of semen (my sperm production has been manipulated). **I AM BEING USED, EXPERIMENTED UPON AND BUTCHERED LIKE A LAB RAT.** My reproductive system my genitals with my Zolofit, castand my scrotum subjected to repeated reductions and enlargements. I have also been anally raped and interfered with numerous times. (1957 to 2010)

7. My stomach, glands, abdomen, intestines, lymph system and other internal organs are also being continuously, repeatedly and intensively heated and roasted i.e. cooked/burnt-out. My heart, chest, neck, lower back, back, diaphragm and all over my body. My torso, face and buttocks have been subject to electric waves pulse My nipples are often used as command centers. Also years of hospital hard beds they put my spine out of alignment and did extensive nerve reconfiguration work in my spine and lower back throwing my whole body out of alignment – lower back, pelvis, hips, muscles, limbs, balance etc. – and, I think, they are trying to ‘engineer’ my brain to ‘fit’ this misalignment. (1989-present)

Huge - easily more then 10,000s of hours - amounts of electricity have been pumped through my body and brain by these SF homosexual butchers. (1957-present)

I believe all of this is an attempted ‘reengineering’ or ‘rendering’ of my brain and body, and it has very seriously degraded my senses, sensibility and mental, psychological and physical strength, range, quality and depth. My brain has been reduced in power, quality and function by at least 70%. All my ‘raw materials’, psycho-physiological powers, energy, amorphous, undeveloped and latent thoughts, memories, emotions, passions, and feelings degraded, burnt-out and/or destroyed. My chest has been sunken, my lungs collapsed, my heart and muscles atrophied, my circulation and metabolism slowed, my stomach expanded and deformed, my genitals mutilated and deformed, and my body-shape completely altered and deformed. As one would expect being a lab-rat in a concentration camp since 1973 it has caused these most profound mental and physical ill-effects and degradation, and profound organic impairments and deformities.

8. subjected to various other mental, physical and social tortures, degradations and dirty tricks. This includes being extensively publicly exhibited via internet and TV. All the time during this extremely traumatizing Orwellian surveillance and interference, and brutal hard-core torture and mutilation my psychological, mental, intellectual and physical states, actions, thoughts, imaginations and words have been exploited and exhibited.

The thoughts and images from my deformed, mutilated brain and and lab-rat life have been ‘brain-broadcasted’ to the journalists etc. on TV and Radio SF He/She Prince power of airwaves– and often presented to them as if it was the workings of my normal brain/mind – also a lot of disinformation and misrepresentation has been ‘fed’ to them. This has often resulted in some of them – both advertently and inadvertently – actually actively participating in the torture and aggravation. Some, I believe, have actually been encouraged to elicit responses from my lab-rat brain and thereby to assist in and facilitate the butchering of my brain and senses to fit these San Francisco He/She voice homosexual technologies and horrendous violations.

The thoughts and images from my deformed, mutilated brain and and lab-rat life have also been ‘brain-broadcasted’ to many other people around the world – politicians, public figures etc. as entertainment, disinformation, insults etc. - and also often presented to them as if it was the workings of my normal brain/mind.

The states, actions, thoughts, imaginations and words of my continuously and relentlessly extremely tortured and deformed brain/mind and body, and my degraded life have been directly transmitted and broadcast - the outbursts, outcries, anger etc.. Even my comments, thoughts, idiocies and messing around – to alleviate the oppression, aggravation, and boredom of my confinement and torture in this Mengeles/Cameron/Delgado/Aquino/Lavey. This concentration camp is in San Francisco Presidio– have been exhibited and presented to many unaware people as if they are the products of my normal brain/mind/life. In reality this is ‘San Francisco Homosexual Torture/Deformity/Murder TV’ – and similar to the homosexual lifestyles seems they enjoy the ‘sport’ – and the degradation, anger and confusion it causes and being single.

Also the Media has been flooded with dehumanizing and ridiculous ‘Psychological-Operations’, parodies and caricatures of me, and life – as at the same time they are parasiting, torturing and organically destroying me, they are constructing a

fiction about 'me' and ceaselessly, idiotically, making what they pretend to be valid psychological and social observations about 'me', my life. (1957-present)

9. Since 2003 colleagues, acquaintances, friends or simply anyone I come into contact with on a day-to-day basis can be has been neurologically attacked/ using these DIRECTED ENERGY AND NEUROLOGICAL WEAPONS – causing them profound mental and physical ill-effects and degradation, and profound organic impairment and disruption.

10. I have been constantly subjected to Organized Mobbing/Stalking. People are purposely engaged to aggravate me, and to impede and violate my physical and psychological spaces, privacy and freedom. There is occasional physical and verbal aggression. This happens in public places, while on my bike, in traffic and around my apartment complex. My whole neighborhood has been infiltrated. Often these people are neurologically controlled like 'neuro-puppets' to maximize the aggravation through the linking of their actions and movements to mine. Other times they are misguided and/or misinformed 'Jones-Town' type idiots/victims. The perpetrators are all races.

Thus my human rights, liberty and privacy have been **COMPLETELY VIOLATED** and **ALL** aspects and degrees of my human freedom, individuality and mental and physical integrity and health profoundly assaulted, tortured and wrecked in this **ongoing totalitarian nightmare/hell** – as I **AM BEING RELENTLESSLY, REMORSELESSLY, BRUTALLY, SAVAGELY and CEASELESSLY** - since 1957- subjected to the **uninhibited and unchecked aggression, nastiness, ludicrousness, speciousness, and dishonesty of these San Francisco homosexual activist bully-he/she Bamphomet, Leviathan psycho- and sociopathic personalities, minds, actions and technologies.**

They do all this to me and yet these perverted psychopaths allow – even encourage – me to send emails all over the world publicizing their sadistic crimes – "we're ass-wiping democracy", and "you're sweeping the floor for us", they continually taunt.

There is massive ignorance and secrecy regarding these technologies and victims such as I am being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undisguised publicly. Despite, 1957 my birth in San Francisco continually appealing for help to most Governments, Military/Security Agencies, International Organizations, Human Rights Organizations, Religious Organizations, Universities, Scientific and other Institutions, and the International Media all over the world I have received virtually no help, or even acknowledgement, around 1981 it has become more evident in the state of California and communities.

It is our responsibility to record and alert the world to these horrendous crimes - and the extreme danger that these technologies, powers and tendencies pose to human rights, liberty, democracy, privacy and the mental and physical freedom, individuality, integrity, health and growth of all people – in all their "infinite?" richness, degrees, dimensions, aspects, qualities and diversity!

Make no mistake these are the most horrendous totalitarian weapons and crimes imaginable and the people and organizations using them are mass-murdering conspirators pursuing totalitarian fundamentalist schemes.

Beware of the brain and gene phrenologists/determinists/reductionists, and those who seek to control and reduce the range, quality and diversity of human thoughts, imaginations, senses, sensibilities, moods, attitudes, speech and psycho-physiologies – the would-be socio-economic, cultural AND PSYCHOLOGICAL/INTELLECTUAL/ PHYSIOLOGICAL monopolists, monoculturalists, police and prosecutors who are already literally and physically actively at work amongst us both monstrously and criminally, and also far more insidiously.

And beware of this dumbing-down, disenfranchisement, degradation and monoculturalisation caused by the paucity and total degradation of public information and discourse, of previously autonomous cultures, professions, fields of human endeavour, memories, and intelligences.

NOT TO MENTION THE NUTCASES PURSUING SUCH SAN FRANCISCO FRANKENSTEIN-SCIENCES AS THE TRANSGENIC, AND THE "BLENDING" OF THE TECHNOLOGICAL AND BIOLOGICAL– EVEN AS RECORD BIODIVERSITY AND CULTURAL DIVERSITY DESTRUCTION IS DONE.
